This AGREEMENT is intended to maintain and promote a harmonious relationship between the Town and such of its employees who are within the provisions of this AGREEMENT in order that more efficient and progressive public service may be rendered.

ARTICLE I

1. The Town hereby recognizes the FIREFIGHTERS/LOCAL 305 as the exclusive representative for collective negotiations concerning terms and conditions of employment for all permanently employed uniformed Firemen of the Irvington Fire Department employed by the Town, but excluding the Chief, all other Fire Officers (including Deputy Chiefs, Captain, and Lieutenants), and all non-uniformed employees.

2. Unless otherwise indicated, the terms "Firefighter", "Employee", or "Employees" when used in this Agreement refer to all persons represented by the FIREFIGHTERS/LOCAL 305 in the above-defined negotiating unit.

ARTICLE II

Check-Off and Union Security

1. The Town agrees to deduct monthly FIREFIGHTERS/LOCAL 305 membership dues from the pay of those employees who individually and voluntarily request in writing that such deductions be made on a form agreed upon between the Town and the FIREFIGHTERS/LOCAL 305 and consistent with applicable law. The amounts to be deducted shall be certified to the Town by the Treasurer of Local 305, and the aggregate deductions of all employees shall be remitted together with an itemized statement to the Treasurer of the FIREFIGHTERS/LOCAL 305 monthly.

The payroll deduction for such representation fees shall be made pursuant to the procedure applicable in the Town to salary deductions.

(b) The FIREFIGHTERS/LOCAL 305 agrees to Indemnify and save the Town harmless from any damage or expenses, inducing attorneys' fees, which may be incurred by the Town as the result of claims made by any employee relating to this Paragraph and any payroll deductions made hereunder, provided that:

(1) The Town gives the FIREFIGHTERS/LOCAL 305 timely notice in writing of any claim, demand, suit, or other form of liability in regard to which it will seek to implement this Paragraph; and

(2) If the FIREFIGHTERS/LOCAL 305 so requests in writing the Town will surrender to it full responsibility for the defense of such claim, demand, suit, or other form of liability and will cooperate fully with the FIREFIGHTERS/LOCAL 305 in the defense of the claim.

ARTICLE IV

Work Week and Overtime

1. Existing overtime practices shall be maintained during the term of this Agreement, except as may otherwise be specifically provided in this Article.

2. Any employee working in excess of his regularly assigned work week or work schedule shall be paid for such overtime work on the following basis.

A. Overtime for the following items, which are considered to be of an emergency nature, shall be paid at one and one-half (1-½) times the hourly rate which the employee normally receives for his regular assigned duty, wherever feasible, or in lieu thereof compensatory time shall be allowed at the rate of one and one-half (1-½) hours for each hour of overtime worked:

- (i) Reemployment on day and night tours;
- (ii) Recalls in the event of fire emergency and other emergency situations such as those caused by snow, floods, windstorms and civil disturbances, etc;
- (iii) Overtime where the employee is held over on duty after his regular shift, provided, however, that pay for such overtime may be made in one-quarter hour increments and overtime of less than one-quarter hour may be accumulated until one-quarter hour is achieved.

B. All overtime work other than as set forth above shall be considered of a non-emergency nature and shall be compensated at the straight time rate, if feasible, or in lieu thereof compensatory time shall be allowed at the rate of one (1) hour for each hour of overtime worked.

C. Services rendered on a voluntary basis, such as for parades and funerals, shall not entitle the employee to any compensation.

3. It is agreed that the Chief and Director may call two (2) combined General Department Inspections/Meetings per year, not to exceed two (2) hours in duration each, and that employees attending the same shall be guaranteed two (2) hours' pay for actual attendance at each of said Inspection/Meetings and that the compensation to be paid for such actual attendance shall be at the regular straight time pay rate.

4. Any employee called in under reemployment or emergency recall to work outside his regularly scheduled tour of duty shall be guaranteed a minimum of three (3) hours' pay at the time and a half (1-1/2) pay rate. Any employee called in to work overtime, which is considered of a non-emergency nature, shall be guaranteed a minimum of three (3) hours' pay at the straight time rate. The call-in provision shall not apply when an employee is called to report early for his regular shift and works into his sniff. The call-in provision shall not apply to General Departmental Meetings.

5. Since the parties to this Agreement have agreed to roll holiday pay into base salaries for various reasons, the parties to this Agreement have also agreed that, for purposes or overtime calculations, that holiday pay shall be excluded from base pay calculations when determining the hourly rate for overtime compensation.

6. Members assigned to the Suppression Division shall report for normal duty no later than 0715 hours (15 minute line up time) on each day of scheduled duty. Tours of duty will begin at 0730 hours and conclude 24 hours later at 0730 hours of the following calendar day. Notwithstanding re-employment, recall, swaps, special assignments and other applicable duty obligations, a seventy-two (72) hour period of time off from duty shall be provided between each 24 hour work period.

7. Vacation/Holiday Cards shall be predicated on the 10-14 schedule. One 24-hour work shift therefore equals 2 vacation days (or 2 holiday cards). The number of

vacation periods and the manner in which they are picked shall remain consistent with the Department guidelines for same.

8. FLOATING DAYS: Members shall have the option to take earned floating days within appropriate time frames in open vacation slots and in any combination of 10 hour (0730-1730); 14 hour (1730-0730), or 24 hour (0730-0730) shifts.

9. SWAPS: Members may elect to arrange for mutual swaps with other members consistent with Department guidelines and provided such action does not result in any member working in excess of 24 total consecutive hours. Except for early relief or hanging back (total 4 hour maximum), members shall not be permitted to swap with other members from contiguous work shifts.

10. FUNERAL LEAVE: Shall be predicated on the 10-14 schedule. One 24 hour work shift therefore equals 2 days funeral leave. Members entitled to one day funeral leave may elect EITHER the day shift (0130-1730) or the night shift (1730-0730) where applicable under the collective bargaining agreement.

11. SICK LEAVE/INJURY LEAVE: Shall be predicated on the 10-14 schedule. Members are reminded to familiarize themselves with all applicable rules and regulations regarding sick leave and injury leave procedures.

12. ADMINISTRATIVE LEAVE, SPECIAL LEAVE, MILITARY LEAVE, EMERGENCY LEAVE, MONTHLY STATE MEETING, ANNUAL CONVENTIONS, AND ALL OTHER LEAVE ENTITLEMENTS: Shall be predicated on the 10-14 schedule with no fundamental change to regulations, policies and procedures concerning same.

13. ELECTION DAY: Members wishing to exercise their voting rights are advised to make necessary arrangements (i.e., swaps, earned time off, absentee

ballots) should they be scheduled for duty on an election day. The responsibility to make required provisions to vote rests solely with each member wishing to do so. Release from duty for reasons of "earned time off" is subject to staffing levels and the discretion of the Fire Chief or his/her designee.

14. RE-EMPLOYMENT: Scheduled re-employment lists shall be promulgated by the Chief of Department to provide a primary and a secondary list in accordance to the agreement made with the bargaining units. Emergency re-employment and recalls will be facilitated by the riding deputy chief or his/her designee utilizing the established department guidelines calling for the use of the Zone List. There will be one (1) 10-hour day shift and one (1) 14-hour night shift to fill a 24 hour position. Unless otherwise directed by the Fire Chief or his/her designee, members on re-employment shall be at their assigned station properly attired, equipped and ready for duty no later than 0730 hours for day shifts (0730-1730) and 1730 hours for evening shifts (1730-0730). If additional manpower is needed, the platoon working the next 24 hour day will work the 10 hour day, and the platoon that worked the day before will work the 14 hour night. All other procedures and regulations shall stay the same.

15. STATIONWEAR: Shall conform to Administrative Orders as promulgated by the Chief of the Department.

16. TRAINING AND BUILDING INSPECTION: Shall conform to Administrative Orders as promulgated by the Chief of the Department.

17. SNOW EMERGENCIES: Members are to be given a two-hour break between periods of shoveling snow for hydrant access. No periods of shoveling are to be longer in duration than three hours, with a total of three periods in a given 24 hour

work shift. This does not include shoveling of firehouse ramps and walkways.

18. PROPER DUTY RELIEF PROCEDURES: Shall conform to Administrative Orders as promulgated by the Chief of Department.

19. QUESTIONS/DISPUTES: Any questions or disputes which may arise relative to the 24-72 hour work schedule shall be brought before the Chief of the Department for evaluation and resolution of same. No final disposition of any issue shall be made without prior notification and discussion with respective Labor Units.

20. LABOR'S RIGHTS: By majority consensus, labor maintains the right to withdrawal from the 24-72 work schedule and return to the 10-14 work schedule provided that both collective bargaining agents (firefighters' bargaining unit and officers' bargaining unit) demonstrate in writing that the majority consensus in both units have voted in favor of returning to the 10-14. In such case, the work schedule change to the 10-14 will be made by management as soon as reasonably possible. Collective bargaining units agree that once a schedule change is made by this process, subsequent requests by labor to change or alter the prevailing work schedule cannot be made for at least 3 full years (36 consecutive months) from the time a new schedule is implemented.

21. MANAGEMENT'S RIGHTS: Nothing herein restricts or diminishes managerial prerogatives including but not limited to as prescribed in the sections entitled "Managements Rights and Responsibilities" of the respective collective bargaining agreements. Further, management shall maintain the right to reconsider a return to the 10-14 work schedule pursuant to a show of reasonable cause (unsafe, adverse, or otherwise significantly unfavorable impact) demonstrating harm to the

necessary order, control and stability of the organization. In such case, item #15 "Questions/ Disputes" of this agreement may be invoked.

22. SIGN-OFF/WITNESS: By the endorsements provided below, all parties represented herein stipulate to the terms of this agreement and further agree that same be made part of the appropriate respective collective bargaining agreements with the Firefighters, Fire Officers, and Depute Fire Chiefs Associations. This provision contains the entire agreement relative to the 24-72 work schedule made between the parties represented herein.

Section B. Any employee who sustains a job-connected illness or injury shall be continued on full pay for a period of one (1) or until such time as the Employee becomes entitled to a disability pension, whichever shall be sooner. The Township and FIREFIGHTERS/LOCAL 305 shall develop a voluntary sick bank plan to be participated in by employees hired after October 5, 1994, who would contribute days from their annual sick leave allotment. These days would be available for use by plan participants when they have exhausted sick leave. Section E. (1) Each employee shall be entitled, upon retirement, for service and age or disability, from a state administered retirement system to receive a lump sum payment for earned and unused accumulated sick leave which is credited to him on the effective date of his retirement in the manner and to the extent provided for herein. Any employee who elects a deferred retirement benefit shall not be eligible for such supplemental compensation payment, unless such employee shall have retired with twenty (20) years or more of service.

(2) Such supplemental compensation payment shall be computed at the rate of one-half ($1/2$) of the eligible employee's daily rate of pay for each day of earned and unused accumulated sick leave based upon the employee's average annual compensation received during the last year of his employment prior to the effective date of his retirement, provided, however, that no such lump sum supplemental compensation payment shall exceed \$8,500.00.

(5) Notice of intention to claim the benefits provided herein must be made in writing to the Township on or before November 1st of the year prior to the year in which the retirement becomes effective. In the event an employee fails to give notice by November 1st for the reason that such employee has not at that time determined to retire, but subsequently, due to some unforeseen reason such employee is compelled to retire, the employee shall give notice of the condition causing the

retirement as soon as possible. In the event such an employee demonstrates valid reason to waive the November 1st notice date, he will receive the benefit provided for. The Township, however, may defer payment of all or part of the benefit to the year following the retirement.

Section F. Employees hired prior to October 5, 1994 shall continue to be afforded sick leave as described in Section 3 of this Article.

5. Grievance Procedure

1. Definition:

A "grievance" within the meaning of the grievance procedure shall be defined as a claim by any employee covered by this Agreement that as to him there has been a misinterpretation, misapplication, or an alleged violation of any of the provisions of this Agreement. A grievance to be considered under this procedure must be initiated within ten (10) working days from the time when the employee knew or should have known of its occurrence.

2. Procedure:

(a) Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved party to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be an acceptance of the decision rendered at that step.

(b) It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations until such grievance has been fully determined.

STEP ONE:

The grievance shall be taken up first with the Company Commandment or other immediate supervisor involved in an attempt to resolve the matter informally at that level. The Company Commandment or other immediate supervisor involved shall provide a written response to the grievance within five (5) calendar days after the grievance is discussed.

STEP TWO:

If, as a result of the foregoing discussion, the matter is not resolved within five (5) calendar days, it shall be discussed by the employee effected and a member of the FIREFIGHTERS/LOCAL 305 Grievance Committee with the Deputy Chief in charge of the platoon in an effort to resolve the matter informally at that level. The Deputy Chief shall provide a written response to the employee within five (5) calendar days or said discussion.

STEP THREE:

If, as a result of the foregoing discussions, the matter is not resolved within five (5) calendar days, it shall within an additional five (5) calendar days be set forth in writing to the Chief and Director specifying in detail the nature of the grievance. Should no acceptable agreement be reached within an additional ten (10) calendar day period after the receipt of the written grievance by the Chief and Director, the matter may be referred to arbitration as set forth below, by the Town or the F.M.B.A. only. If the aggrieved is a permanent employee he may, in lieu of arbitration, elect to pursue all remedies afforded by the provisions of the Civil Service Act.

STEP FOUR:

In lieu of submitting the grievance to the Civil Service Commission, resort may be had to the remedies in this step, provided, however, that such action must be initiated within ten (10) calendar days of the time the answer was received or considered due in Step Three. The appeal must be made in writing reciting the matter submitted to the Chief and Director as specified above. Dismissal of or failure to continue the employment of a probationary employee shall not be deemed grievable or arbitrable where the ultimate decision must be made by an agency having exclusive jurisdiction over the issue, as for example, a determination by the Board of Trustees of the New Jersey Police and Firemen's Retirement System as to disability.

The following procedure will be used to secure the services of an arbitrator:

(a) A request will be made to the Public Employment Relations Commission (PERC) to submit to the parties a roster of persons qualified to function as an arbitrator in the dispute in question and for the selection of an arbitrator in accordance with its rules and regulations;

(b) The rules and procedures of the Public Employment Relations Commission (PERC) shall be followed by the arbitrator. The decision of the arbitrator shall be in writing and shall set forth his findings of fact, reasoning and conclusions on the issues submitted. The decision of the arbitrator shall be binding. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement; and except as may be required in order to achieve a result consistent with relevant statutes, decisions and regulations. He or she shall have no power to add to or to subtract from or modify any of the terms of the Agreement, nor shall he or she in any case have any power to rule on any issue or dispute excepted from this grievance procedure by any other provision of this Agreement;

(c) The Town and the FIREFIGHTERS/LOCAL 305 shall assure the employee freedom from restraint, interference, coercion, discrimination or reprisal in presenting his appeal with respect to his personal grievance;

(d) Costs:

(i) Each party will bear the total cost incurred by themselves:

(ii) The fees and expenses of the arbitrator are the only costs, which shall be shared by the two parties, and such costs will be shared equally.

(e) The right to request arbitration shall be limited to the parties to this Agreement and either party may demand arbitration.
